

# Bureau International des Containers et du Transport Intermodal

JOINT VENTURE OVZ-TRANS LLC  
21/A, KRASNOARMEYSKAYA STR  
220030MINSK  
BELARUS

## CERTIFICATE OF NEW REGISTRATION OF CONTAINER CODE

In accordance with ISO Standard, Customs Conventions and B.I.C. Registration terms,

Bureau International des Containers hereby certifies that the BIC Container-code:

**OVZU**

has been duly registered by BIC Organization and assigned to :

**JOINT VENTURE OVZ-TRANS LLC**

Address: 220030 MINSK BELARUS

This BIC-Code shall apply only for containers owned/operated by the company named above and remains valid for the **CURRENT calendar year ending December 31<sup>st</sup> 2010**.

In 2011, a renewal notice and associated invoice shall be issued around February. This will have to be returned promptly together with payment to ensure continued validity of this code.

Should the company name, address or ownership status change, please notify B.I.C at the postal- address or by email shown below.

### Important notice: Consequences of the official registration of a BIC-code

Extract of the Registration Procedures, (check also our web site [www.bic-code.org](http://www.bic-code.org) / thumbnail BIC-CODE)

- each container marked with a code "--U" is officially and worldwide known to be owned - or operated (see 8.1.2) - by the code holder as recorded in B.I.C. Register, with all the related responsibility (legal, commercial, damage, insurance, etc...) of such ownership.

**After initial registration, this international code protection is subject to the payment of a yearly renewal fee** (as per tariff published every year in the CONTAINERS BIC-Code Register).

The non payment of this fee will result in the **cancellation of this code protection within a period of 6 months**, confirmed by a registered letter, and with information to the controlling authorities worldwide.

In case of transfer of ownership of such container(s), responsibility shall remain with above mentioned code holder until the time when :

- the code marking is removed from each and every container.
- or - the code marking is changed for another - duly registered with B.I.C. - held by the new owner (see 8.1.7)
- or - the code marking remains unchanged but its ownership has been transferred to a new -duly registered- code holder (see 8.1.3.d).

AS A CONSEQUENCE AND IN ORDER TO KEEP YOUR RESPONSIBILITY SAFE,  
PLEASE CONTACT THE BUREAU BEFORE SELLING CONTAINERS.
